

Lecture 10 Recyclability of adhesive applications on corrugated board packaging

Henkel AG & Co. KGaA

Dr. Dennis Bankmann

Henkelstrasse 67
40589 Duesseldorf
Germany

Mail: dennis.bankmann@henkel.com

Information about the speaker

Dennis Bankmann studied chemistry in Cologne, and in 2007 joined Henkel in Düsseldorf as a researcher in the Adhesive Technologies business unit. Dennis joined the Packaging & Consumer Goods Adhesives division in 2012 to take over the development of products for flexible packaging in Europe. During 2014 and 2015, Dennis led the Packaging & Consumer Goods development in the IMEA region. As of 2019, he has taken on a global role to support the Henkel Circular Economy strategy with a focus on packaging and consumer goods.
